Enoch Hale M. D.

Sabbath Argument.

Dear Sir

74 I have to thank you, & I  
do it with much cordiality & sincerity,  
for your little book on the Sabbath.  
I have read it with much interest  
& instruction. It was an excellent  
idea to take advantage of the  
convention to ascertain the views  
& arguments that influence the minds  
of such men, & there to meet  
them on their own ground. It  
seems to me that you have  
done it ably & successfully; & I  
cannot but believe that the  
book must do great good.

Most truly yours

Enoch Hale
